1. It is my understanding that you currently have applied against requisition number 8-2-62, [REDACTED]. I believe this individual was originally considered as a replacement for [REDACTED]. Since the submission of our original request, [REDACTED] has indicated that they feel the position should be occupied by an individual with the rank of Major. Therefore, we are requesting, at this time, that [REDACTED] be dropped from consideration and in his place you make an attempt to get a [REDACTED] currently stationed at Forbes Air Force Base.

2. In an effort to clarify what has obviously become a rather confused picture in regard to supply officer personnel, I would like to recap here my understanding of the current situation. If this does not agree with your records, please advise this office. [REDACTED] will proceed as originally scheduled to [REDACTED]. We presently have on orders with a reporting date of January, a [REDACTED] as a replacement for [REDACTED]. This then will give us a line up at the depot upon [REDACTED] departure of [REDACTED]. Hopefully, [REDACTED] will replace [REDACTED]. [REDACTED] is to be dropped from any further consideration. If you are advised that [REDACTED] is not available or is otherwise unqualified for this assignment, we would appreciate your advising us as early as possible.
